EDUCATION

Sidney Sussex College, University of Cambridge, Cambridge, England, United Kingdom 2024 – 2025

MASt/Part III in Astrophysics

Graduated with Good Honours equivalent

Victoria College, University of Toronto, Toronto, Ontario, Canada 2020 – 2024

HBSc in Physics & Mathematics

Graduated with High Distinction

German Swiss International School, Hong Kong SAR, China 2010 – 2020

International Baccalaureate (IB) Diploma in 6 subjects

International Advanced Subsidiary (AS) level in 1 subject

International General Certificate of Secondary Education (IGCSE) in 12 subjects

TUTORING EXPERIENCE

Private Tutor, Physics & Mathematics 2020 – 2022, 2024 – 2025

- Tutored students through the IGCSE and International Baccalaureate (IB) syllabi, having completed both as a student.

RESEARCH EXPERIENCE

Master of Advanced Study Research Project Cambridge, England, United Kingdom

Postgraduate Student — cosmological simulation

October 2024 – September 2025

Canadian Institute for Theoretical Astrophysics

Summer Undergraduate Research Fellowship

Undergraduate Researcher — gravitational wave data analysis

Toronto, Ontario, Canada

May 2023 – December 2023

McGill Space Institute Summer Undergraduate Research Award

Undergraduate Researcher — radio astronomy data pipelines

Montreal, Quebec, Canada

May 2022 – April 2023

HONOURS, AWARDS AND SCHOLARSHIPS

- Dean's List Scholar in the Faculty of Arts & Science 2022, 2023, 2024
- Canadian Institute for Theoretical Astrophysics
Summer Undergraduate Research Fellowship (CITA SURF) 9,500 CAD, 2023
- Birkenshaw Family Scholarship II 1,000 CAD, 2023
- McGill Space Institute (now Trottier Space Institute)
Summer Undergraduate Research Award (MSI SURA) 7,000 CAD, 2022
- David and Louise Fraser Scholarship 2,500 CAD, 2022
- University of Toronto Scholar 1,500 CAD, 2022
- Birkenshaw Family Scholarship 1,000 CAD, 2022

LANGUAGES

- English (fluent, language of education)
- Cantonese (fluent, mother tongue)
- Mandarin (formally learned 10 years)
- German (formally learned 10 years)
